Sarathi (Preface)

Life should be such that it becomes ideal for many...

Even without reading the book, the life of a virtuous person tells a lot. Here are the highlights of the life of Tapagachchadhipati Vyakhyanvachaspati Paramgurudev Acharya Devesh Shrimad Vijay **Ramachandrasurishwarji** Maharaja's Samrajyavarti Gurudev Jirnodwar Jyotirdhar Parampujya Acharyadev Shrimad Vijay **Muktiprabhsurishwarji** Maharaja's Vineet Vinayaratna Famous Preacher Historical 77 Initiation giver Parampujya Acharyadev Shrimad **Vijay Shreyansprabhsurishwar Ji Maharaja**...

As lecture shapes life,
As book shapes life,
As person shapes life,
like that
Circumstances also shape life.

The life of Pujya Gurudev framed by these four has been given a small shape here. This shape will help the readers to become formless, and will also help them to overcome some of the difficult circumstances of life...

On the occasion of *Guru Samarpan*, the ideas of *Samarpan* (dedication) and *Guru Krupa* (Guru's grace) are presented here in two lines. A quiet reflection will take the readers deeper.

After going deeper, new directions will keep opening up. The opened directions will tempt you to surrender to the Guru (spiritual master), which will immerse you in the ocean of *Gurukrupa*. From there, the journey of new happiness will begin.

This happiness will become your companion and serve you step by step.

Life can be known by intellect,
life can be enjoyed by heart,
enjoying is more important than knowing.

So, **heart** is extremely important before reading this book.

If the **flower of virtue** of Pujya Gurudev given in this book comes in the bouquet of your life,
the **fragrance of happiness** will not fade even in bad coincidences.

Amidst the strong cause of *Kashaya*, the mood of silence and the balance of the mind keep Puja Gurudev away from *Kashaya* forever.

Rain stops **Gurukrupa** does not stop.

Whatever the thoughts may be, Pujya Gurudev has kept the filter so good that the grasped thoughts are beautiful.

If there is any house in this world without windows and doors, then that is **Gurukrupa**.

As much as the body is used for others, the better it is... With this motto, Puja Gurudev can enjoy the fun of living even in the midst of work.

Body is nourished by milk, **Gurukrupa** is nourished by **dedication...**

The beautiful art of evaporating the mistakes of his disciples with affection and not reprimanding is the hallmark of Pujya Gurudevshri.

Blinded by the darkness of ignorance; Obeisance to that Shri Guru who has opened my eyes by the ointment of knowledge.

If a man drowns in the ocean, he dies... If he **drowns in Gurukrupa**, he swims...

Even in the terrible heart attack, Pujya Gurudev maintained the unbroken *samadhi* by unexceptionably following good character.

The ocean of Gurukrupa is so large that its two ends can never meet.

The most favourite device of Pujya Gurudev is Muhapatti, which never leaves his hand.

The sun in the sky rises and sets ...

Only Gurukrupa is immovable.

Pujya Gurudevshri can take short sleep, small food and do daily meditation.

To fly the wings... to walk the feet... to reach the destination without walking or flying - only **Gurukrupa** is needed.

The demonic joy of pulling down or eliminating someone is not in the blood of Pujya Gurudevshri.

Gurukrupa is great in this cheap world.

When dedication prevails... then **Gurukrupa** is attained.

Khankhod, Panchayat (arbitrating), *Ninda* (traducing) etc. vices have been saluted by Pujya Gurudev from afar.

Wealth makes you wealthy, not worthy.

For becoming worthy, **Gurukrupa** is needed.

Pujyashri remains evergreen by the formula – whatever (he) gets is suitable, is likable, is ok.

The fruit of humility is service, and the fruit of service to the Guru is knowledge heard.

The fruit of knowledge is detachment, and the fruit of detachment is restraint of hearing.

A simple person may dedicate, but a rare person may attain **Gurukrupa**.

Pujya Gurudevshri flows the Ganges of compassion even for those who speak or write bad for him.

If you have luck, you will get money, if you have dedication, then you will get **Gurukrupa**.

So far in his life, Pujya Gurudev has not kept any distinction between small or big, poor or rich.

Dedication is the river which finally merges in the **ocean of Gurukrupa.**

Pujya Gurudev has given priority to *Jinagna* and *Guruagna* in life. That is why the river of *Samadhi* (meditative trance) is perennial.

Dedication is 'A'...

Gurukrupa is 'Gna'

The journey from ignorance to knowledge...

By preserving the state of mind even in the situation of crisis, Pujya Gurudevshri has been able to overcome that situation patiently.

Everything is possible with **Gurukrupa**.

Without **Gurukrupa** everything is impossible.

Pujya Gurudevshri did not miss to respect any elder and great persons of the community, and even after becoming Acharya, he did not sit on their seat (*Aasan*).

Nothing in the world is achieved without asking,

Gurukrupa is the thing which is achieved without asking...

Feeling of *Shata* in *Ashata*, enjoyment of happiness in sorrow, freshness of congeniality in adversity, Pujya Gurudevshri always feels the power of restraint.

As the compass points to the exact north direction, dedication always gives **Gurukrupa**.

Pujya Gurudev has devised the culmination of knowledge only to find the soul seeking knowledge.

As flower buds come and then mango fruits come on the tree, dedication comes then the fruit of **Gurukrupa** comes.

During bypass surgery:

1. I will not wear hospital clothes.
 2. The nurse cannot touch me.
 3. My *Rajoharan* cannot be taken away.
- These three conditions saved the glory of Pujya Gurudev's character.

Dedication is a step, **Gurukrupa** is the summit.

A double drum having different things on lips and heart has no place in the music of Puja Gurudev.

As a building is created from many small bricks, **Gurukrupa** is earned through dedication.

Usually, Pujya Gurudev's no work is delayed in the busy lifestyle.

Putting aside the umbrella of ego, its name is dedication...

It falls in the rain of **Gurukrupa**.

Pujya Gurudev has become a favourite of many due to his ability to listen to everyone and take care of everyone.

Dedication is *Sadhana*...

***Siddhi* is Gurukrupa.**

Despite being nearly unfaithful, Pujya Gurudev has adopted the *Purnima Vrata* of converting *oat*(ebb) to tide in his love.

Gurukrupa is like the sweet notes coming from the *veena* of dedication.

Even in any small or big mistake, '*Chhadmastha* is only liable to error', this motto is foremost in his life, that is why Pujya Gurudev can digest everyone's mistake.

One can study without books, one cannot study without Gurukrupa and **Gurukrupa** is not possible without dedication.

Pujya Gurudev's secret to live in everyone's heart is to give genuine advice to anyone who comes near him.

Gurukrupa is the milk that can be poured into one which has dedication.

Pujya Gurudev can concentrate in *Granth-Vyakhyan-Dhyan* (book- lecture- meditation). Because Pujya Gurudev has no reason for mental anguish.

Dedication is the window, the air coming from which is the **Gurukrupa**.

This will do... that will do... why didn't you do? You have to do it... the garbage of such mixed attitude is not in the vein of Pujya Gurudev.

Dedication means disciple falling at Guru's feet...

Gurukrupa means Guru holds both hands of the disciple.

Whatever happens will be good...

What the wise see will happen...

With the clarity of such thoughts, Pujya Gurudevshri lives a worry-free life.

Gurukrupa is like sugar in the *modak* of dedication.

O Guru! life is incomplete without you.

The clever art of remembering Hari (Lord) without any complaints has increased the kingdom of Pujya Gurudev's virtue.

Keep digging with the spade of dedication, the well of **Gurukrupa** is at hand.

This much must happen, nothing less will do... from a life free from such insistence, the spontaneity of Pujya Gurudev is maintained.

To see far, a telescope is needed; to see inside, **Gurukrupa** is needed.

Even for speakers superior to him, feeling and approval of difference cannot ignite the fire of jealousy in Pujya Gurudev.

Work begins with dedication; work ends with **Gurukrupa**.

Suffering comes to test...

Adversity comes to examine...

This belief is the address of Pujya Gurudevshri's happiness.

Dedication comes from the heart...

With the heart you get **Gurukrupa**, with the mind only calculation is done.

Pujya Gurudevshri has stayed away from money since the beginning. So, the occasion didn't come for him to put hand in someone's beard.

No one drives a vehicle without brake, no one can attain **Gurukrupa** without dedication.

'It'll be fine'

'Don't worry'

'It doesn't matter'

With such positive utterance, many have joined the worship of Pujya Gurudev.

Press the Switch of dedication,
there will be the light of **Gurukrupa**, automatically.

As Pujya Gurudev has come forward to love struggle, so success has also come forward to love.

As flower blooms when season comes, **Gurukrupa blooms** when dedication comes...

The shadow of Pujya Gurudev has become a shade for many because he has adopted the life of a tree.

0 = Dedication

1 = Gurukrupa

It is not that Pujya Gurudev does not face any problem.
But he has set the mind in such a way that the problem doesn't last.

Gurukrupa is such a cool water tank,
the faucet of which is opened through dedication.

The supreme art of enjoying the happiness of way after reaching the destination, is a symbol of Gurudev's love for lord.

Honkaro is the dedication, *Haaskaro* is Gurukrupa.

Simplicity→Dedication→ Gurukrupa→ Pujya Gurudev
